

"Odne Selo" 2007 - 2008 at Sokil

Welcome to the parent's camp "Odne Selo" 2007 – 2008 at Sokil. This year we have a fun, jam packed programme for those parents and friends who would like to be involved. Here are few of the exciting activities that you are more than welcome to participate in:

- Wine and cheese nights
- Gourmet Hike
- Surfing and fishing trips
- Winery visit
- Mountain Bike riding
- Brunch at Aireys Inlet lighthouse
- Salsa dancing lessons
- Amazing New Years Eve celebrations

We are looking forward to catching up with old friends and the opportunity to make new lifelong friendships... Oh and let's not forget the social and emotional development programme. We will be running multiple daily sessions in the kitchen, toilets and while ferrying the kids everywhere.

So be there or be square!
